## FREE SCHOOL MEALS AND PUPIL PREMIUM REGISTRATION FORM

Registering for free meals is easy and could also raise extra funds for your child's school, to fund valuable support like extra tuition and additional teaching staff.

This additional money is available for schools from central government for every child whose parent is receiving certain government benefits. It is therefore important to sign up for free school meals, so that your child's school receives as much funding as possible.

It is still important to apply, even if your child chooses to eat a packed lunch from home, or if they are in reception, year 1 or year 2 and therefore already receive free school meals as part of the government's Universal Free School Meals Scheme for infant school children.

In addition, if your child qualifies, during school holidays you could be offered free food (currently in the form of supermarket vouchers) and free activities in school holiday clubs.

Please can we ask all families to read the attached and complete the Free School Meals application form, if you are in receipt of any of the benefits listed.

Yours sincerely
